

IMMUNIZATION REQUIREMENTS

The pre-entrance immunization requirements at Westfield State University are based on the Massachusetts Law 105CMR 220.000. Requirements apply to all full-time undergraduate and graduate students under 30 years of age and all full-time and part-time health science students. To fulfill this requirement, you must submit documented evidence of immunizations as listed below. Copies of immunization records will be accepted. If you cannot produce these records, you must be revaccinated or provide serological evidence of immunity.

Tdap	1 dose; and history of a DTaP primary series or age-appropriate catch-up vaccination; Tdap given at ≥ 7 years may be counted, but a dose at age 11-12 is recommended if Tdap was given earlier as part of a catch-up schedule; Td or Tdap should be given if it has been ≥ 10 years since Tdap
Hepatitis B	3 doses; laboratory evidence of immunity acceptable; 2 doses of Heplisav-B given on or after 18 years of age are acceptable
MMR	2 doses; first dose must be given on or after the 1 st birthday, and second dose must be given ≥ 28 days after first dose; laboratory evidence of immunity acceptable; birth in the U.S. before 1957 acceptable only for non-health science students
Varicella	2 doses; first dose must be given on or after the 1 st birthday and second dose must be given ≥ 28 days after the first dose; a reliable history of chickenpox* or laboratory evidence of immunity acceptable; birth in the U.S. before 1980 acceptable only for non-health science students
Meningococcal	1 dose; 1 dose MenACWY (formerly MCV4) required for all full-time students 21 years of age or younger; the dose of MenACWY vaccine must have been received on or after the student's 16 th birthday; doses received at younger ages do not count towards this requirement. Meningococcal conjugate vaccine, MenACWY (MCV4) and MenABCWY, fulfill this requirement; monovalent meningococcal B (MenB) vaccine is not required and does not meet this requirement. Students may decline MenACWY vaccine after they have read and signed the MDPH Meningococcal Information and Waiver Form

WSU HEALTH SERVICES RECOMMENDED IMMUNIZATIONS FOR COLLEGE

- **Meningitis B**
- **Hepatitis A**
- **HPV** (Human Papilloma Virus)
- **Influenza** (annual dose recommended in fall) Look for vaccine clinics on campus!
